

Rusty Guitar Strings chords by Boxcar Willie

CHORDS

C **F**
I've got rusty guitar strings from
C
crying salty tears

And this band stand is getting
G7
pretty wet

C
I've got rusty guitar strings from
F **C**
crying salty tears

G7 **C**
And I'm not even through crying yet

Well you always got your kicks when
F **C**
I played my hot licks

You said I was the light of your
G7
life

C **F**
But when you called today said you
C
were going away

G7
That you would be another picker's
C
wife

C **F**
I've got rusty guitar strings from
C
crying salty tears

And this band stand is getting
G7
pretty wet

C
I've got rusty guitar strings from
F **C**
crying salty tears

G7 **C**
And I'm not even through crying yet

C **F**
I was a guitar picker in a good ol'
C
country band

And I used to sit and practice every
G7
day

C
I was headed for the top when I
F C
heard my G sting pop

G7 C
Then my fame started slipping away

C F
I've got rusty guitar strings from
C
crying salty tears

And this band stand is getting
G7
pretty wet

C
I've got rusty guitar strings from
F C
crying salty tears

G7 C
And I'm not even through crying yet

F
Now I'm picking sour notes on these
C
sad songs I wrote

G7
I'm out of tune on every note I play

C F
As my salty tears fall down I know
C
I'm sorrow bound

G7 C
I'm rusting my poor career away

C F
I've got rusty guitar strings from
C
crying salty tears

And this band stand is getting
G7
pretty wet

C
I've got rusty guitar strings from
F C
crying salty tears

G7 C
And I'm not even through crying yet

G7 C
And I'm not even through crying yet
